## Changing Color in Single Crochet

	<p>Start with one chain on your hook.</p>
	<p>Insert hook under both loops of next stitch. Yarn over.</p>
	<p>Pull up a loop. Two loops now on hook.</p>

Hold new color close to your work. Yarn over with new color.

Pull loop of new color through both loops on hook to close. One loop (of new color) remaining on hook.
