Working over unused color in Single Crochet

	<p>Start with one chain on your hook.</p>
	<p>Hold unused color close to your work, on top of the next single crochet. Insert hook under both loops of next stitch and under unused color. Yarn over.</p>
	<p>Pull up a loop. Two loops now on hook. Yarn over. Pull loop through both loops on hook to close. One loop remaining on hook.</p>
